**LANCER SYSTEMS L5 TRANSLUCENT MAGAZINE
TESTED AND RECOMMENDED BY NTOA**

Allentown, PA (June 2008) Lancer Systems is pleased to announce that the L5 Translucent Magazine has been tested and recommended by the members of the National Tactical Officers Association.

The NTOA Member Tested and Recommended program is designed as a service to assist the association's membership in selecting the best products available for the tactical community. The following areas were tested and evaluated by NTOA member testers: design; performance; ease of use; quality; durability; storage; versatility; convenience; application; comfort; accuracy; and cleaning & maintenance.

About the NTOA

The National Tactical Officers Association is a non-profit association dedicated to the advancement of the SWAT profession throughout the world. The mission of the National Tactical Officer's Association is to enhance the performance and professional status of law enforcement personnel by providing a credible and proven training resource as well as a forum for the development of tactics and information exchange. The Association's ultimate goal is to improve public safety and domestic security through training, education and tactical excellence.

About Lancer Systems

Lancer Systems is a team of engineers and manufacturing experts that are committed to providing innovative material solutions to the warfighter and peace officers. Our focus area in the small arms arena is in the application of advanced lightweight materials that decrease weapon system weight and increase operator efficiency.
